Dear Ms Borg;

Thank you for the report about the 'Wellness Course' held at our Company between November 2005 and January 2006.

We have received very positive feedback from the participants in the course, namely the Operations Managers and Front Line Managers who have expressed their appreciation for the topics covered in your sessions.

This has been a successful experience for both the Company and the participants involved and we look forward to working with you in the future.

Kind Regards,
